Subject: Confidential: SMCA - Termination Approval

Good morning,

I have received approval to separate employment with _____ due to the following:

Our hiring practice is to follow the district's determination regarding hire eligibility. The Lee County district communicated to CSUSA that they considered _____ ineligible for rehire, therefore, per our practice, he never should have been hired in August 2023.

Please schedule a time to discuss the change in employment status with the employee.

I will also witness the call with the employee.

Upon confirmation of completion, I will process the termination in ADP.
