Hello

Thank you for contacting our office. I want to take this opportunity to confirm that we are not taking any action on your behalf with regard to your employment matter and we wanted to make you aware that there are time limitations associated with filing a lawsuit.

To avoid the loss of a claim for not filing within the statutory time period, you should immediately contact another attorney, as some legal claims must be filed, or continued, within a specific period of time after your claim first arises.

You may contact The Florida Bar which maintains a lawyer referral service, you may consult them to assist in finding another attorney by calling: 1-800-342-8011.

If we can be of further assistance on this or any other matter, please let us know.
