Thank you for contacting Spielberg Law Group. Regrettably, this is an area in which we are unable to offer our assistance.

Please understand that this does not imply you do not have a valid claim. There are various reasons we may be unable to represent you, including potential conflicts of interest, the matter falling outside of our scope of practice, caseload limitations, or other factors.

For further guidance, we recommend reaching out to your local bar association, the Equal Employment Opportunity Commission (EEOC), your local human rights coalition, or another law firm that may be better suited to assist you.

Rest assured, your information will remain strictly confidential and will not be shared with any third parties.
