M

I had no idea you were leaving your school. No one contacted me to help you start the process before you termed. I would have been happy to have helped with that transition. I will be happy to pass your email to my Director.

Best regards,

HERE WE GO AGAIN!!!!!! I purposely informed my administration that I wanted to be put on the guest teacher list BEFORE my break in employment to AVOID this mess of a situation. This is absolutely ridiculous... the incompetence of your department - either that or it reflects flat out LAZINESS!!!!. Please do not tell me what you CAN NOT do!

I was fully employed my the district a few days ago. You have my information. ALL I want to do it be a substitute teacher - why do you have to make this sooooo complicated?! Please contact \_\_\_\_\_ at Lehigh Acres Middle School and ADD me to the Guest Teacher List. I am NOT getting re-finger printed! You just made my pounding head ached even worse - Thanks for that!!!

If you can't or won't add me to the Guest teacher list I will just contact the superintendent. In fact, please forward this email to your superior(s), I have a few comments/complaints. Thank you!

We would love to have you back as a guest teacher. Unfortunately because your term date was 9/27/19 there is already a break in service. This means you will have to re fingerprint.

Here is the LINK to apply to the guest teacher pool if you are still interested. If you have any difficulty in the process please call 337-8640. I am also attaching a reference form , I will need a reference from the admin at Lehigh Acres Middle.

Good Afternoon

I was hired as a 6th grade math teacher at Lehigh Acres Middle School on July 30, 2019. On Tuesday, October 1st, my employment ended due to health reasons (my decision). I expressed my interest in returning to guest teacher status and was hoping to avoid the disruption in my employment eligibility that I experienced last year.

I already informed \_\_\_\_\_ Assistant Principal at Lehigh Acres Middle School, that he needs to contact you regarding my guest teacher availability - if he doesn't contact you, please reach out to him. I currently do not have access to my district email and would like that resolved as soon as possible.

Thank you.
