Good afternoon,

I apologize, but it is not a matter the Attorney can assist with. There are numerous criteria that Mr. Rothman considers, and we would urge you to not take our e-mail as any comment on the merits of your situation - that is not what is intended. Mr. Rothman looks at many things including but not limited to how the case could balance with his current workload, the specific types of cases he is looking to accept, the potential investment necessary and resources presently available for the potential case, in addition to his preliminary analysis of the information you supplied during our call with you.

Best Regards,

Intake Specialist & Legal Assistant for  
Richard Weldon, Esq. and Morgan Jones, Esq.
